

## **Large Cap MT760 Block Trade Program - Minimum \$/€100 Million to \$/€100Billion**

### **Investors/Clients Cash Funds to remain in their own Bank Account**

Please find below the overview for a minimum \$100 million Large Cap MT760 Block Trade Program with exceptional returns. Funds must be at one of the "**Top 100 banks**" and of acceptable jurisdiction (no Chinese Banks or banks that are not top 100).

#### **Overview**

- Minimum Investment = \$100 Million (USD/EUR equivalent), (Top 100 banks only & No-Chinese Banks).
- Bullet may earn 500% plus when available or locked down with client
- Investor can compound the above by doing the Bullet more times.
- Program has no project requirements.
- Investor agrees to a 90%/10% Profit Sharing Arrangement on all returns with the Trade Platform

#### **Note:**

Until AML-KYC Docs and RWA letter is received I cannot give a firm quote on returns as the Bullets change weekly, depending also on the amounts to be traded.

Commissions and profit share occurs whenever the investor makes a withdrawal or at the end of each 30 Banking Day (40 weeks) Trading Term.

Return on Investment is payable to Investor at end of each 30 Banking Days 40 Weeks)

#### **Requirements from Investor/Client**

Require full AML-CIS/KYC (Corporate / Individual AML-CIS/KYC Templates available on request, along with 2 bank officers business cards, Investor/Clients Proof of Life, and current Tear Sheet, RWA letter from account holder's banker confirming the bank will perform the MT760 Block fuds upon instructions of the account holder. No Tear sheet, MT799, Internal hold, or courier delivered MT760 block is acceptable.

**Note:** All financial documents and proof of life photo, along with the CIS/KYC to be obtained and dated with the same date.
